West Region Treaty 2 & 4 Health Services
Jordan's Principle is hereby seeking applications for:

Job Position: Jordan's Principle Specialized Services Case Manager Off-Reserve Full Time-Permanent

West Region Treaty 2&4 Health Services (WRT2&4HS) is an accredited First Nation organization that delivers a variety of Mandatory and Discretionary Health Care Services to the seven WRTHS First Nation Communities.

Under the supervision of the Jordan's Principle Services Coordinator and in accordance with WRT2&4HS Mission, Values, Goals, Policies and Procedures, the Specialized Services Case Manager will have two areas of focus; respite care, and function as a float for case management as needed for the WRTHS geographical area.

Duties and Responsibilities:

- Ability to develop, coordinate, and administer respite services independently.
- Develops and documents service requests that includes referral, assessment, program goals, treatment/admission, progress evaluation, discharge (if applicable), transition and ongoing care protocols.
- Lead and Facilitate Respite
- Ability to train, instruct, supervise, and problem solve between staff and/or issues amongst participants.
- Directing and coordinating specific program activities and support that meets the needs of each children(s)/youth(s) based on goals and objectives outlined in Individual Plan and Level of Need.
- Provides navigation services with a cultural safety and humility lens, using a trauma-informed and culturally competent approach. Understands the importance of working with First Nations protocols and integrates these practices to support the family's interactions with all systems.
- Builds strong relationships and partnerships with front line health care and childcare workers; including but not limited to nurses, speech pathologists, dental, occupational therapists. Works with these types of individuals to obtain clinical support.
- Proactively builds front-line and community relationships to bring children and families with complex care needs to the right organizations and expedite assessments and referrals within all areas of the health care system.
- Provides community-based services like workshops, presentations and team building activities focused on developing and enhancing skills and capacity of front-line workers.
- Willing to work after hours and/ or weekends as required/deemed necessary.
- Provide support to On-call services of Jordan's Principle
